**Example Answer**

Dominic seems less confident than Holly, having 'less belief' than Holly that Gabrielli will succeed. It is Holly who seems to think that Gabrielli is exaggerating the danger of his act. So Dominic will probably be less confident about walking the tightrope himself. He might be prepared to do it with the rope very close to the ground.

Also, it is Holly's idea to attempt it. Dominic thinks it is 'a joke', which suggests that he may not think it is possible.

**Guidance**

The question asks what you think, so there is no absolute right or wrong answer, and it does not necessarily require a clear yes or no. However, you do need say what you think and show your reasoning, as in the Example Answer.

**Marking**

There are 4 marks available, which you will earn for making four reasoned points, including whether you think Dominic might join Holly in trying to walk the tightrope.

**Top Tip**

Be sure to give your reasoning, making reference to the text. You will not earn any marks for a simple 'yes' or 'no' – you need to explain why you think that.
