**Example Answer**

When he tells her off for picking the rare plant in a nature reserve, she reveals that she did not know it was a nature reserve. She also answers 'dolefully', suggesting that she is sorry for what she has done. 1

He therefore feels sorry for her / for speaking to her harshly. 1

Total: 2

**Guidance**

You need to read lines 17–24 to find the answer, which you need to infer from the text. Notice that his manner changes when she answers him 'dolefully'.

**Marking**

There are 2 marks available. You will earn 1 mark for making the point that she did not know it was a nature reserve and/or feels sorry (as indicated by 'dolefully'), and 1 mark for explaining how this changes his attitude towards her.

**Top Tip**

Give a full answer, as in the Example Answer. It helps to know the meaning of 'dolefully' – expressing sorrow.
